## EQUIPMENT RENTAL & LIABILITY RELEASE AGREEMENT

I accept for use AS IS the equipment listed on this form and accept full financial responsibility for the care of the equipment while it is in my possession. I will be responsible for the replacement, at full value, of any equipment rented under this form, but not returned to the rental shop. Board or Skis=\$400 Boots=\$200 Poles=\$50

**\*\*I agree to return all rental equipment in the condition that I rented it OR I will be charged for lost/damaged equipment.\*\***

I understand that the binding system cannot guarantee the user's safety. In downhill skiing the binding system will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release. In snowboarding with non-release bindings, the binding system will not ordinarily release during use; these bindings are not designed to release as a result of forces generated during ordinary operation. I understand that a helmet designed for RECREATIONAL SNOW SPORTS use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high energy impacts, even when a helmet is worn. For the safety of our Snow Sports participants, **Moose Mountain strongly suggests that you use your own or a free loaner helmet.**

Under Alaska law, the risk of an injury to person or property resulting from any of the inherent dangers and risks of skiing rests with the skier. Inherent dangers and risks of skiing include changing weather conditions; existing and changing snow conditions; bare spots, rocks, stumps and trees; collisions with natural objects, man-made objects, or other skiers; variations in terrain; and the failure of skiers to ski within their own abilities.

I understand that the sports of skiing and snowboarding ("Recreational Snow Sports") involve inherent and other risks of INJURY and DEATH. I voluntarily agree to expressly assume all risks of injury or death that may result. I AGREE TO RELEASE AND HOLD HARMLESS the equipment rental facility, its employees, owners, affiliates, agents, officers, directors, and the equipment manufacturers and distributors and their successors in interest (collectively "PROVIDERS"), from all liability for injury, death, property loss and damage which results from the equipment user's participation in the RECREATIONAL SNOW SPORTS for which the equipment is provided, or which is related in any way to the use of this equipment, including all liability which results from the NEGLIGENCE of PROVIDERS, or any other person or cause.

I further agree to defend and indemnify PROVIDERS for any loss or damage, including any that results from claims or lawsuits for personal injury, death, and property loss and damage related in any way to the use of this equipment. This agreement is governed by the applicable law of the State of Alaska. If any provision of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect.

**I, THE UNDERSIGNED, HAVE READ AND UNDERSTAND THIS EQUIPMENT RENTAL & LIABILITY RELEASE AGREEMENT.**
